Major Issues

Key issues that Sampson Inc. encountered included; The business model used by Sampson Inc. was outdated and the leadership practices in Sampson were inefficient. This compromised with fast evolving market opportunities, advancing technologies, and cutthroat competition that gradually positioned the company as irrelevant.

Course of Actions

This case shows how missteps were made strategically by the management.

These were an over reliance on the traditional products, delayed obsolescence investment, and failure to meet the needs of customers.

Although there have been an effort in performing some restructuring

The background of the slide is a historical painting of a coastal city, likely Constantinople, during the late Ottoman period. The scene shows a wide harbor with numerous sailing ships, including galleons and smaller vessels. In the foreground, there are several large galleons with multiple masts and sails. The city is built on a hillside, with a prominent domed building, possibly a mosque or palace, visible in the lower left. The sky is filled with soft, golden light, suggesting a sunset or sunrise. The overall style is characteristic of 19th-century historical painting.

Conclusion

This paper shows how Sampson Inc. met its doom, thus teaching organizations important lessons. Used properly they said, the insights from the case's dynamics offer possibilities to solve as yet unsolved problems so that organizations remain on the move and well-prepared to constructively respond to future change.
