Interview Report

Introduction

The case 'Interview Report' with its broad focus offers a good insight into the issues, approaches, and consequences of interviews that are conducted in organizational and career context. They also present an excellent foundation for demonstrating basic concepts such as communication, preparation, and evaluation within interviews of a case study.

Case Overview

In the “Interview Report” case, various policy and performance consequences that arise from the use of interview methods and made decisions are described. It is an elaboration of challenges experienced by the interviewers and interviewees for example, the failures in preparation, bias and misunderstandings.

Structured Preparation

There's nothing worse than having a structuredless interview in fear of having a lack of structure when conducting interviews will most likely produce different results and fail to capture some valuable moments.
