# TORTS & CONTRACTS

# INTRODUCTION

**Torts and contracts are the two significant legal categories of law which serve as legal bases for most civil legal issues to be solved. Whereas tort law is concerned with redressing for loss occasioned by unlawful wrongs, contract law is primarily about legal relations between agreed parties.**

---

---

# KEY LEGAL

**Tort law deals with cases of civil wrong doings, and negligence, defamation, and purposeful harm to persons or their property. It is to provide restitution to the victims and prevent future bad conducts. For instance, negligence lawsuit brings into place four essential elements of tort which are duty of care, breach of duty, causation and damage.**

---

---

# CONTRACT LAW

**Contract law enable and makes sure that each party fulfills the agreement signed between the two parties. These are offer, acceptance, consideration, both parties' agreement, and the legal purpose. Contract breach is a legal matter that arises when there's a violation of contract terms where legal cures can include damages, specific performance and rescission of the contract.**

---

---
