

AMERICAN

AIRLINES

Introduction

American Airlines Corporate: The Role of Challenges and Opportunities If American Airlines wants to remain one of the largest airlines in the world, the company heading this way has experienced many hardships and opportunities in its existence.

Strategic Challenges and Solutions

There has been massive financial reorganization since the airline began and especially during the 2011/2013 period when it was under bankruptcy.

Mergers and Acquisitions:

Thus such a move as the merger with US Airways that took place in 2013 may be considered as the critical shift for American Airlines.

Conclusion

TheCaseSolutions.com offers a good and detailed perspective of how American Airlines bids to address its problems.
